FrogWatch USA comes to Greenwood Gardens

If you are a self-motivated, environmentally-minded individual looking to learn something new, hop on over and join us for a froggy fun workshop!

What: FrogWatch USA is a citizen science program that teaches and empowers volunteers to collect data on local frog and toad species. After a brief training YOU will be on your way to aiding in frog and toad research across the Nation!

When: February 29th, (leap day, get it?!) 10:00am-2:00pm

Where: Greenwood Gardens 274 Old Short Hills Rd, Short Hills, NJ 07078

Contact: sspoden@hartshornarboretum.org

Pre-register online today at: greenwoodgardens.org
